COMPANY PROFILE 2026

Construction & finishing services

Residential. Commercial. Institutional.

NUVALI DRIVING RANGE / ELECTRICAL WORKS

AMYO CONSTRUCTION FINISHING SERVICES

Wilmer G. Orlaza | Owner / General Manager

Amyoconstruction@gmail.com

0977 237 1385

01 / COMPANY

Practical expertise.
A clear commitment.

AMYO Construction Finishing Services brings together renovation, electrical and mechanical works, structural and masonry works, roofing, waterproofing, and interior finishing.

The supplied portfolio records work for homes, offices, condominium units, churches, healthcare and veterinary facilities, driving ranges, warehouses, telecommunications sites, and transport infrastructure.

OUR MISSION

To become the preferred contractor through a culture of trust built on commitment, cooperation, client satisfaction and value creation.

OUR VISION

To be a recognizable name in construction, known for quality and innovation, while supporting our team and the communities where we operate.

Based in Rodriguez (Montalban), Rizal.
This profile brings together the company information and project records supplied by AMYO, covering dated work from 2021 through 2026.

02 / SERVICES

A range of construction skills.

Capabilities reflected in AMYO's supplied project portfolio.

01 Renovation & interiors

Residential units, kitchens, cabinets, bathrooms and offices; repair, repainting, punch-list works and interior improvements.

02 Electrical & mechanical

Power and lighting, electrical troubleshooting, CCTV, lightning arresters, transformers, air conditioning, chilled-water refrigerant and ducting works.

03 Structural & masonry

Concrete pedestals and signage, masonry works, logistics warehouse structures and tower erection; wall demolition, CHB partitions and plastering.

04 Roofing & waterproofing

Roofing and gutter repair or replacement, flashing, eaves repair, firewall waterproofing and dormitory wall re-waterproofing.

05 Finishing & fabrication

Painting, welding, carpentry, grilles, gates and fences; flooring removal and homogeneous vinyl tile installation.

06 Plumbing & site works

Plumbing work recorded for the Rizal Memorial Baseball Stadium project, alongside electrical and facility improvement scopes.

03 / PEOPLE

The team behind AMYO.

Leadership, project coordination, technical roles and site delivery.
